Description

The Skyline planter is covered in a cascading texture of lines that move in the light. A lightweight yet remarkably strong fiberglass structure, this contemporary container is beautiful enough to keep inside yet durable enough to go outside. Resistant to UV rays and scratches, our modern planter is custom finished in a choice of fade-resistant marine grade paints or one of our trademark Fusions, natural metal finishes that age gracefully over time.

Images left to right: 23"D x 15.25"B x 20"H Matte Black, Bronze and Matte Black in Bronze
