## Description

A finely articulated oval, the Vista Planter imbues interior and exterior designs with a graceful presence. The durable beauty of the planter’s lightweight, fiberglass construction is resistant to UV rays and scratches and superbly suited to any design scheme. This modern planter is finished in a choice of fade-resistant marine grade paints or trademark metal Fusions, which develop a unique patina over time. Shown above in 36"L x 22"W x 24"H Copper (Image courtesy Island Design). The second image is also 36"L x 22"W x 24"H Brass and the last image is 48"L x 12"W x 24"H Matte Black.
